I. ROLL CALL:

II. OLD BUSINESS:

1. **MARK S.** Did the link for the tree list get a link from the ordinance page?

III. NEW BUSINESS:

1. Heber received the Community of the year award from the Utah Community Forestry Council. This award will go to Mark Rounds tomorrow 1/23/24. Melanie will put out a press release to the Wave and the Heber website with the details pertaining to this reward.
2. **POST** Ashley Farrell is moving and will no longer be part of the **POST** committee. I believe any correspondence will now go to Scott? Until there is a newly appointed Chair.
3. With the recent snow accumulation, any trimming to be done at the school trees will be postponed until spring but Melanie will reach out to the principals to discuss plans for spring.
4. **CITY COUNCIL PRESENTATION:** Melanie completed the presentation and provided photographs and Christian created a vision plan for Main Street. There was a scheduling mishap and Melanie was unable to present in person to the board but the presentation was printed out and given to each council member to review. Hopefully a new date to present will given quickly.
5. **PRIVATE TREES: CAN A PRIVATE TREE BE DEEMED A DANGER TO THE PUBLIC AND REMOVED BY THE CITY?**

IV. OPEN DISCUSSION

V. NEXT MEETING: MONDAY FEBRUARY 26, 2024
